

ALMOURAD

An Intimate, Boutique
Luxury Dahabiya Experience.

Escape into the Heart of the Nile

Al Mourad is not a cruise. It is a journey
— a return to elegance, stillness, and the
golden age of Nile exploration.

Sailing between Luxor and Aswan, Al Mourad is a boutique dahabiya crafted for travelers who seek privacy, authenticity, and understated luxury. Designed as a floating sanctuary rather than a conventional ship, Al Mourad invites you to slow down and experience Egypt at the pace of the river. With only nine beautifully appointed cabins and one panoramic suite, every voyage is intimate, refined, and deeply personal.

The Dahabiya

A graceful reimagining of the traditional Nile sailing vessel, Al Mourad blends heritage craftsmanship with contemporary comfort.

Warm textures, soft natural tones, and panoramic river views create an atmosphere that feels both elegant and welcoming — a true home on the Nile. Spacious indoor lounges and open decks allow you to gather, unwind, or simply watch the landscape drift by in serene silence.

Bespoke Dining

Our menus celebrate fresh, seasonal ingredients and refined Egyptian flavors presented with contemporary elegance. Meals are prepared daily and served in intimate settings — whether beneath the open sky, on the sun deck at sunset, or in our softly lit dining area. From leisurely breakfasts to candlelit dinners under the stars, each meal is crafted to reflect the rhythm of the river.

Moments of Stillness

From sunrise coffee on deck and afternoon tea as the wind carries the sails to golden-hour reflections across ancient landscapes and evenings beneath a canopy of stars, Al Mourad offers space to breathe — to disconnect from noise and reconnect with meaning.

Signature Journeys

Sailing between Luxor and Aswan, our curated itineraries include: *The Valley of the Kings, Edfu Temple, Kom Ombo, Hidden Nile islands and village walks.*

Unlike larger vessels, we anchor at quiet riverbanks and lesser-known stops, offering a more intimate connection to Upper Egypt's heritage and daily life. Each journey balances exploration with leisure — discovery with serenity.

Designed for *Those Who Seek More*

Al Mourad operates primarily on a full private charter basis, ensuring complete privacy, personalization, and exclusivity for each journey.

For bespoke experiences, the entire dahabiya may be reserved, allowing guests to tailor itineraries, celebrations, special events, and every detail of their voyage entirely to their vision.

Our Philosophy

Luxury is not excess. It is *intention, intimacy, freedom to experience Egypt at your own rhythm.* Al Mourad is a tribute to heritage, craftsmanship, and the timeless beauty of the Nile.
